"We cannot always build the future for our youth, but we can build our youth for the future."

-Franklin D. Roosevelt (U.S. President, 1882 - 1945)

These famous words embody the very essence of our prestigious institution. Since its inception, Cornwall College has exemplified the very notions of tradition, excellence, and leadership that are the hallmark of every great leader in our midst. With its eye steadfastly on the future, Cornwall College continues to blaze a path of success, honor and service for young men of character.

We are the Cornwall College Alumni Association of South Florida (CCAA), a 501(C) (3) not-for-profit organization and like so many of its multitude of alumnae, our purpose is to raise funds to provide much needed assistance to the students in the form of scholarships and to continue the efforts to improve the school's infrastructure. For the past two years, donations to our beloved alma mater have reached \$30,000 dollars thanks to the generous contributions of our sponsors.

Our annual Dinner and Dance is the signature event and the highlight of all our fundraising initiatives each year. And, as years' past we are seeking to establish partnerships with sponsors who will undoubtedly benefit through our focused promotional campaigns while contributing generously to our beloved school.

Our gratitude toward your commitment in helping us achieve our vision of supporting this great institution that touches the lives of countless future leaders cannot be overstated. Enclosed, please find the various sponsorship opportunities for your consideration as well as a sponsor commitment form. We invite you to visit us online as well at www.ccalumni-florida.com/ to learn more about our association.

Sincerely,

Cornwall College
